Since 1924

Date: 28th October 2026

To,

Fairpoly Limited

Md. Nasir Uddin (MD)

Dear sir,

Thank you for choosing MG. We invite you to embark on a journey with Morris Garages – a journey to remember! Morris Garages offers you a car with motoring pedigree and plush modern features, guaranteed to provide you with an unparalleled driving experience.

MG Motor is a heritage British motoring brand, founded by Cecil Kimber in 1924 as a sporting division of Morris Motors. Each modern-day MG is designed and engineered in Birmingham, England at our design headquarters with the same sporting DNA as the famous MGs of yore; whilst the manufacturing takes place in Shanghai, China under the economic prowess of MG's parent company, SAIC Motor Corp.

Launched exclusively under the sole distributorship of RANCON British Motors Limited, we aim to restore a sense of heritage back to motoring and push design and innovation to new levels.

We seek to provide the best after-sales services in 387 RWL 2nd Floor, Tejgaon I/A Dhaka 1208, Bangladesh through our own dedicated RANCON Workshop. We take great pride in offering meritorious services through our seasoned team and thus assisting in upholding global manufacturer's warranties. Having been operative in the Bangladeshi automotive sector for years, you know you can trust us with your pride and joy.

We trust that our offer will be acceptable to you and look forward to receiving your valued order soon.

We wish you miles of safe driving.

Sincerely yours,

Mahib Uddin Aban
Executive - Sales
